

#HAPPIER & RELAXED

JAMES, BLUE ASH

Thank you for lifting the worry of end-of-life care from my father. My kids have noticed a happier and relaxed "OPA".

BEV, WYOMING

I couldn't be more pleased with my mother's experience with Senior Care Coordination. I especially like the fact that her fees go to support more than 3,000 Greater Cincinnati Seniors served by CASS.

About CASS

CASS is a non-profit agency committed to meeting the needs of Greater Cincinnati's senior population. Each year CASS serves more than 3,000 Greater Cincinnati Seniors to help them avoid nursing homes by eliminating barriers that prevent them from keeping their independence. Today, CASS is Greater Cincinnati's recognized leader in meeting the needs of seniors.

How Does My Affiliation With SCC Help CASS?

CASS relies on support from individuals, corporations, and foundations to augment its funding. 100% of your SCC fees go towards helping seniors who count on CASS to be there for them.

What Is Senior Care Coordination (SCC)?

Senior Care Coordination(SCC) is a program offered by Cincinnati Area Senior Services (CASS) that provides individualized care coordination, support and guidance for clients.

What Senior Care Coordination Means For You?

CASS Brokers legal services and coordinates real estate, benefits, medical care, housing and community resources. A Senior Care Coordinator, a one point contact for all services that may be needed, visits clients frequently and collaborates with supportive family, friends and caregivers to provide comprehensive, consolidated, and honest care management in a way that respects the choices and decisions of the client, enabling them to maximize their independence. Services offered provide seniors safety, adequate care and protection from exploitation and scams.

What SCC Does For Seniors?

- Provides Guardianship and Power of Attorney Services
- Serves as Trustee if needed
- Coordinates life transitions planning
- Navigates Medicare and other long term insurance options
- Expands choices and offer wider alternatives for preferred care
- Improves client knowledge to manage and fund care options
- Increases financial security and fraud protection
- Manages finances, bills and budgeting
- One point of contact for all services that may be needed

TONYA, EAST WALNUT HILLS
You have lifted a weight off our family that we will be forever grateful for. You can see it in my mother's face! God Bless!

You Can Trust Us

Senior Care Coordination is an extension of services CASS provides, specifically for individuals we recognize have unmet needs. CASS has provided quality services to seniors for over 50 years with bonded, experienced, reputable and caring professionals. CASS is a stable and trustworthy organization that adheres to best practices and takes pride in the services offered, evident by the agency's accreditation through the Council on Accreditation.

A Private Pay Model

Senior Care Coordination provides high quality, comprehensive care management, no matter how much or how little assistance a client needs. The program is a private pay model. Fees are monthly or per hour and determined during the assessment process. Please contact us to discuss how this program will work for you.

BEN, ROSELAWN
I just feel better knowing that my affairs are in order and my disabled son will be cared for. Betty and I thank you for this peace-of-mind!
